

Daniela
Hincapié Restrepo

Graphic Designer

*You take something
to be happy? **Yes, decisions***

*I make decisions and identify the environment in a subtle and
creative way, turning dreams and ideals in constructive reality.
When dreams are objectively designed, they come true.*

Professional profile

Graphic designer graduated on 2007 from Universidad Pontificia Bolivariana, one of the top design schools in Colombia.

Integral formation that exceeds academic and moral teachings, of knowledge and practical doing, researcher, context reader, able to define demand and requests of communicative character and market.

Systemic and innovative critical thinking; knowledgeable and generator of new processes perceptive, cognitive and operational in the relationship with the user and with the product chart. Leadership and positive attitude.
